## MARKET DEMAND ASSESSMENT (MDA) FOR INCREMENTAL CAPACITY VIA THE GSA PLATFORM

Commission Regulation (EU) 2017/459 of 16 March 2017 lays down the obligation for the EU TSOs to carry out the non-bidding market demand assessment for incremental capacity for each side of a transmission entry-exit system border at least in every odd numbered year, within 8 weeks after the start of the annual auctions.

# MARKET DEMAND ASSESSMENT (MDA) FOR INCREMENTAL CAPACITY VIA THE GSA PLATFORM

# HOW TO GAIN ACCESS TO THE GSA PLATFORM – SHIPPER

Self-registration on the GSA Platform and acceptance of the GSA Platform Rules

Submission of originals of the Power of Attorney to the GSA Platform and valid transcript from the national company register (in Ukrainian or at least in English)

Account activation by administrator of the GSA Platform

The screenshot displays the GSA Platform website interface. At the top, the logo 'Platforma GSA' is visible with the tagline 'Great Solution for Auctioning'. Navigation links include Auctions, Secondary market, Incremental capacity, Operators, Shippers, Network points, News, Documents, and CRM. A registration banner at the top right contains a 'REGISTRATION' button with a user icon and a 'SIGN IN' button with a lock icon. Below this, a main banner features the text 'The Auction Calendar for 2021/2022 available on ENTSOG website' and a 'READ MORE' button. A callout box on the right side of the banner contains the text 'We invite everyone interested in cooperating with the GSA Platform to register.' and two buttons: 'FOR OPERATORS' and 'FOR SHIPPERS'. The 'FOR SHIPPERS' button is highlighted with a white border. To the right of the banner, a sidebar titled 'About GSA Platform' lists several items: Key figures, Quality & security standards, EU regulation compliance, New TSO registration, New Shipper registration, GSA Platform FORUM, and GSA Platform Report.
